TORCOLATO

Location of Vineyards:

Area D.O.C. Breganze
Breganze: volcanic hills area

Nature of the soil:

Volcanic hills and morainic
limestone slopes

Grape varieties:

Vespaiola

Harvest:

Only hand-picked grapes with choice
of best bunches and withering of the grapes
until January

Vinification:

Alcoholic fermentation in stainless steel
tanks which stops naturally in spring
when the wine is still sweet

Refining:

8 ÷ 12 months in its own yeast
12 months in steel tanks
6 ÷ 8 months in bottle

Bottling:

April - May

Wine characteristics:

Colour: bright golden yellow
Bouquet: pleasant honey and apricot aroma
with intense floral notes
Taste: sweet and full, well-balanced acidity with
alcohol
and sugars, pleasantly elegant and
it leaves a long persistence of the aroma
